ABOUT TAMARA

In this life there are few pleasures that truly immerse the mind, body & soul bringing forth deep feelings of bliss, rejuvenation & honest self-awareness. For me painting is my ultimate indulgence, my most treasured form of expression & certainly my idea of paradise. My work aims to communicate positivity & acceptance of 'self' through a celebration of colour, culture, nature & pattern.

Tamara Armstrong solo exhibition

8th - 30th March 2018
